

COVID-19 UPDATE

As a community builder, the safety and well-being of our employees, customers, contractors and consultants is our highest priority.

HERE'S OUR STATUS AS OF MAY 26, 2020:

- Our sales center, model homes and design center are open for walk-in visitors and appointments
- All staff and visitors are required to wear masks everywhere including our sales center and model homes — and to follow state guidelines for health, social distancing and sanitation.
- New home construction will continue
- Pre-drywall walk-throughs are by appointment only

If you are experiencing a fever, cough or any other COVID-19 or flu-like symptoms, have recently traveled or have been exposed to anyone with the COVID-19 virus, we ask you to please wait at least 14 days after exposure/recovery/return before visiting Sky Cove.

We will continue to monitor this crisis and may change the way we communicate and conduct business accordingly. We will continue to keep you informed of our changes and make arrangements so you can stay in touch with our sales and design counselors.

Please explore our website to view all 10 floor plans - and take video tours of our 6 furnished models.

Thank you for your patience and understanding during this time. On behalf of all of us at Label & Co., please take care of yourself and your family.

Email or call to make an in-person or virtual appointment.
